These ads may be based on your current activity or your activity over time and across other websites and online services and may be tailored to your interests.

Third parties, whose products or services are accessible or advertised via the Services, may also place cookies or other tracking technologies on your computer, mobile phone, or other device to collect information about you as discussed above. We also allow other third parties (e.g., ad networks and ad servers such as Google and others) to serve tailored ads to you on the Services, other sites, and in other applications, and to access their own cookies or other tracking technologies on your computer, mobile phone, or other device you use to access the Services. We sometimes provide our customer information (such as email addresses) to service providers, who may “match” this information in de-identified form to cookies (or mobile ad identifiers) and other proprietary IDs, in order to provide you with more relevant ads when you visit other websites and mobile applications.

We neither have access to, nor does this Privacy Policy govern, the use of cookies or other tracking technologies that may be placed on your device you use to access the Services by such non-affiliated third parties.
